

Bonnibelt December 2021 Newsletter

Hi All,

We hope this newsletter finds you all well and healthy.

As some of you may be aware, our son Clint lost the love of his life, Macca, to a severe asthma episode where she collapsed at home and was placed in an induced coma for a week before joining the angels on the 3rd November 2021. Gone far to soon. We were fortunate to be able to get up to Mackay and support Clint and to be able to say goodbye to this bubbly, kindhearted, animal loving, botanical magician, seeing good in everybody and forever laughing soul. His brother Ronnie was able to make it as well which meant so much to all of us especially Clint. With all the border restrictions, and the “now you can but now you can’t travel” interstate, it is difficult to be able to visit him, but he has so many good genuine friends from all walks of life that are looking out for him and for them we are extremely grateful. She is deeply missed by Clint and so many others☺

So hold close the ones you love and cherish – you just never know when they won’t be there.

As mentioned in past newsletters, we have been downsizing over the last year or so and it is with mixed feelings that I have decided that this will be our last newsletter. We hope you have found them to be of some interest to in keeping updated with us and what we have been doing on the farm. We will still have our website up www.bonnibeltstud.com.au as we currently still have hides for sale and maybe one or two more to be added next year. Tony and I want to say a HUGE thank you to Ross Pagan of dsh Design at <https://dshdesign.co.nz/> for all his support over the years in giving us an awesome webpage and we can highly recommend him if you want to get one set up. Say Hi for me if you do. He won't have to work so hard for me in the future☺

As I have your names and contact details, I will still be in contact with those that are in line for beef, lamb and mutton when the time comes and you are always welcome to contact me to see where you are on those lists. At this stage for next year, the beef will be available around April/May and the next lot of lamb will be around March/April with the next lot of lamb being around June.

Tony and I want to Thank You all for your support over the years. We have had some ups and downs and some of you have become good friends and are treasured. You know where we are and are welcome to drop in for a cuppa and catchup.

We wish you all a safe and blessed Christmas and Please God, let 2022 be a much better year for everyone.

Best wishes always,

Jo and Tony Kreher
